Building 490 RCRA Closure – Final Completion Report
Marine Corps Base Camp Lejeune, N.C.

Dear Mr. Hood:

Attached please find the page changes to finalize the Completion Report for the Building 490 closure, which has incorporated all Base EMD and DES-WRI comments. We are providing two additional complete copies of this submittal to Mr. Bob Lowder at Base EMD for submission to the NC DENR, one complete copy to Mr. Thomas Burton of ROICC, and page changes to Mr. Ron Scherer at DES-WRI.

Please contact me with any additional issues, and thank you for allowing me to continue serving LANTDIV and Camp Lejeune's environmental project needs.

Sincerely,

Shaw Environmental, Inc.
